

In the specification:

Page 8, third paragraph in lines 15-18, amend as follows:

C2 ~~As can be seen from the drawings, one of the pistons has a~~  
~~second piston rod~~ The housing has a rod 20 which extends to the right ~~left~~ and \*  
has the same diameter as the piston rod 9 of the piston 8, to assure that both  
pistons 5 and 8 have the same piston ~~area~~ areas 21 and 22 correspondingly  
at the right side.
